Dear Sir/Mam,

Re: Job opening for junior game programmer

I am writing in response to your job posting for the position of junior gameplay programmer.

My name is Alwin Moo. I am a hard-working, passionate, and determined individual, seeking an opportunity to succeed in a dynamic and young company such as yours. I am confident that my knowledge, ability and experience, will allow me to deliver successful results for your company as a junior gameplay programmer.

Please allow me to highlight my key skills:

- Proficient in multiple programming languages (C++, C#, Java, Python)
- Able to manage my time through careful planning and organisation of work-related activities
- Excellent communication skills that result in positive interpersonal relationships
- The capacity to learn and apply new information quickly and accurately
- A track record of meeting deadlines and producing accurate work of a high standard

I would welcome the opportunity to meet with you to discuss and explore how my experiences and achievements meet your requirements. The enclosed resume expands on my qualifications and experience.

Thank you for your time and consideration.

Yours sincerely,

Alwin Moo
